

Funding

Abbott, Bayer Schering Pharma, Bayer Technology Services, Boehringer Ingelheim, Merck, Sanofi-Aventis

**Graduate Research Training Program PharMetrX
(<http://www.pharmacometrics.de>)`Pharmacometrics & Computational Disease Modelling"**

2008 -

Merck (<http://www.merck.de/en/index.html>)

Research cooperation

2008 - 2010

Bayer Schering Pharma (<http://www.bayerscheringpharma.de>)

Research cooperation

2007 - 2009

Bayer Schering Pharma (<http://www.bayerscheringpharma.de>)

Research cooperation

2006 - 2008

**Deutsche Forschungsgemeinschaft (DFG), Forschungszentrum MATHEON (<http://www.matheon.de>):
Mathematics for key technologies**

Stochastic modelling in pharmacokinetics

2006 - 2010

Schering AG (<http://www.bayerscheringpharma.de>)

Research cooperation

2004 - 2006

**International Max Planck Research School `Computational Biology and Scientific Computing" (IMPRS
CBSC (<http://www.imprs-cbsc.mpg.de/>))**

Stipends

2004 - 2006

Bundesinstitute für Risikobewertung (BfR (<http://www.bfr.bund.de>))

Toxicokinetic analysis of critical sub-populations

2004

Computing in Technology (CiT (<http://www.cit-wulkow.de/>))

Development of a virtual lab in pharmacokinetics

2004 - 2006

**Deutsche Forschungsgemeinschaft (DFG), Forschungszentrum MATHEON (<http://www.matheon.de>):
Mathematics for key technologies**

Stochastic modelling in pharmacokinetics

2002 - 2006
